Tickets for EXPO 2015 in Milan, Italy at a special price!

Are you planning to attend the exhibition Expo Milano 2015? CU Centre for Information, Counseling and Social Services presents you with an option to purchase a reduced entry ticket. As CU students, you will only pay 10 €!

In order to book a concessionary ticket, you must personally visit the CU CICSS in Celetná 13, Prague, before July 31, to present your student ID and pay the entrance fee of 10 € (the exact equivalent in the given currency). After the deadline (July 31), the CU CICSS will order the tickets and notify you to collect them at the same address.

Each student can purchase a single concessionary ticket only. The Expo Milano 2015 (Feeding the Planet, Energy for Life) is open until October 31. The ticket is an open date non-personal ticket and as such can be used for a single entry at any day until the end of the exhibition.

More information about Expo Milano 2015 and its programme can be found here: <http://www.expo2015.org/en/>
