## Na 10. českých akademických hrách získala Univerzita Karlova první místo!

14. 6. 2011; By: Miloš Fiala; Section: Students, Translation: Pavla Horáková

The biggest university sporting event involving individuals, university teams and sports clubs has closed. Between June 5 and 10, 2011, some 2,400 students – 340 them from Charles University – competed at Prague stadiums, indoor arenas and outdoor sports venues. In the overall school ranking, our university placed first out of 43 teams, scoring 340 points. Overall rating – results:

1<sup>st</sup> place: Charles University, 340 points

2<sup>nd</sup> place: Czech Technical University in Prague, 274 points

3<sup>rd</sup> place: University of Economics, Prague, 188 points

Charles University students participated in 53 events, taking:

35 gold medals

35 silver medals

23 bronze medals

In collective sports our students gave outstanding performances in men's and women's football, in men's softball and women's floorball. As for individual sports I was impressed by their performances in the track-and-field and swimming events.
